I/We, request to be supplied with water by the Odenville Utilities Board. I/We agree: to pay the bill promptly, to claim no damages due to the stoppage of the flow of water resulting from accident, or where necessary to make alterations, repairs, or improvements, or if the meter is shut off due to my non-payment. I/We agree also to keep all plumbing and fixtures on my premises repaired and to promptly fix all leaks. I will not allow anyone to tap into my water lines, thus "sharing" a water service, as is it illegal to allow another person to obtain water in this fashion. For failure to comply with any part of this agreement, the Utilities Board may disconnect my water service until I am in compliance. There is a \$10.00 service charge to set up service.
